

IBM-WMCUS

STUDENT EXCHANGE PROGRAM

Fall Semester, Academic Year 2020/2021

The International Business Management Program at Widya Mandala Catholic University Surabaya (IBM-WMCUS) is designed for well-motivated students who would like to build careers in international business. The program aims to hone skills in all of the theoretical and practical aspects of international business and management. Having an international scope, the courses are all conducted in English language.

IBM-WMCUS offers opportunities for overseas students from any field of study to experience studying at the study program for one or two semesters. This exchange program is exclusive for our partner universities. It combines the experience of university life at one of Indonesia's leading private universities with the opportunity to live in the urban area of Surabaya, the second biggest city of Indonesia.

This program also offers a wider international outlook for future career opportunities with exciting cross-cultural exposures. By the end of the program, students will be given a certificate of completion and academic transcript, which can be used for the credit transfer process at home university.
